OUR MISSION

To raise awareness of and funding to support local children's causes while fostering community in celebration of two of North Carolina's cultural assets: Barbecue and Bluegrass.

At The Pit—and at all Empire Eats restaurants—we feed our community every day. Great food and great hospitality are at the core of who we are and what we do. Our devotion to our community is why supporting local causes is so important to us.

'Cuegrass was conceived as a fundraising event for organizations working to improve the lives of children and families in North Carolina. To make the greatest impact possible, we rely on the generosity of our sponsors to help fund this event. All proceeds from the event are donated to our chosen beneficiaries.

If you'd like to make a donation to our beneficiary fund, visit:
